

# **PADI Open Water Diver - \$450 + HST**

This is by far our most popular course. The PADI Open Water Diver Course is the first full certifying course in the PADI diving education system. During this course you will learn all the skills needed to dive confidently and safely to a maximum depth of 18 metres / 60 feet, independently of a dive professional.

This course, is run by our highly qualified instructors and is divided into 3 areas:

*Academic Training* (classroom and independent study)

*Confined Water Training* (swimming pool sessions)

*Open Water Training* (Ocean or Quarry sessions)

On booking this course and tuition fees have been paid in full, we will send you a starter pack, which includes self-study material we require you to read before attending your first class session.

On completion of this course you will be awarded with the World's most recognized SCUBA qualification.....The "PADI Open Water Diver".
